OFFICIAL NOTICE OF SANITARY VIOLATION

Dear Mr. Stacy:

Complaints received by this office indicated a surfacing septic system at 604 West Battlefield.

Investigation by a representative of this office revealed said complaints to be true. The surfacing of sewer effluent from this septic tank system is a violation of Chapter 30, Sections 30-2 and 30-4 of the Springfield City Code.

Therefore, it is the direction of this office that the sewage disposal system at 604 West Battlefield be repaired so as to eliminate all surfacing sewer effluent within thirty (30) days of receipt of this notice.

Your cooperation will be appreciated.
